

REMARKS

Claims 1-37 are presented in this application. In this amendment, claims 5-10, 14, 19, 23, 28, 33 and 37 have been amended without prejudice to remove multiple dependencies for the purpose of reducing fees.

Applicants have amended the specification to add the priority information and appropriate headings under 37 CFR 1.77. Applicants have attached an Abstract on a separate sheet of paper as required by US practice.

It is respectfully submitted that the present application is in condition for allowance. An early consideration and Notice of Allowance are earnestly solicited.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge any fees or credit any overpayment, particularly including any fees required under 37 CFR Sect 1.16 or 1.17, and any necessary extension of time fees, to deposit Account No. 07-1392.

Respectfully submitted:

ABSTRACT

~~There is provided a~~ A medicament dispenser device for use in the delivery of a multi-component combination medicament product. The device comprises a first medicament container containing plural co-formulation compatible medicament components; first release means for releasing the contents of the first medicament container for delivery thereof; at least one further medicament container, each containing at least one co-formulation incompatible medicament component; and at least one further release means for releasing the contents of each at least one further medicament container for delivery thereof. The at least one co-formulation incompatible medicament component is kept separate from the plural co-formulation compatible components until the point of release thereof for delivery in combination.
